

## Majors in IASBS with license

Admission takes place at this university in the basic sciences including physics, chemistry, mathematics, earth sciences, bio sciences and information technology in continuous PhD, Master of Science and Bachelor of Science level and the license type is as the following table:

Department	Major	Orientation	Degree	License
Physics				
	Physics	Condensed matter	MSc	deterministic
		Astrophysics		
	Photonics	-	MSc	deterministic
Nano-physics	-	MSc	deterministic	

Earth sciences				
	Geophysics	Seismology	MSc	deterministic
		Geomagnetism		
		Gravity		
		Goelectric		
	Earth sciences	Tectonics	MSc	one time admission
Sedimentology and Sedimentology				

chemistry	chemistry	Physical chemistry	MSc	deterministic
	chemistry	Polymer chemistry	MSc	deterministic
	Nanochemistry	-	MSc	deterministic

Biological Sciences	biochemistry	-	MSc	deterministic
	Biophysics	-	MSc	deterministic

Mathematics				
	Pure Mathematics	تمامی گرایش ها	MSc	deterministic
	applied mathematics	Financial	MSc	deterministic
		numerical analysis		
		Differential Equations and Dynamic Systems		
	computer science	Algorithm and Computation Theory	MSc	deterministic

		Soft Computing and Artificial Intelligence		
		Scientific calculus		
		System theory		
		Data analysis
