

Majors in IASBS with license

Admission takes place at this university in the basic sciences including physics, chemistry, mathematics, earth sciences, bio sciences and information technology in continuous PhD, Master of Science and Bachelor of Science level and the license type is as the following table:

Department	Major	Orientation	Degree	License
Physics	Physics	-	Ph.D. in Physics	قطعي
	Physics	Condensed matter	Continuing Ph.D. in Bachelor's Degree	Only one time admission
		Astronomy Physics		
		Astrophysics		
	Physics	Optics	Continuing Ph.D.	deterministic
		Laser		
	Computational Physics	-	Ph.D.	deterministic
Nano-physics	Nanofootnike	Ph.D.	one time admission	
	Nanostructures			

Earth sciences	Geophysics	Seismology	Ph.D.	deterministic
		Gravity		
		Sedimentology and Sedimentology		
	Earth sciences	Tectonics	Continuing Ph.D. in Bachelor's Degree	one time admission
Geophysics	Seismology	Continuing Ph.D. in Bachelor's Degree	one time admission	

chemistry	chemistry	Physical chemistry	Ph.D.	deterministic
		Organic Chemistry		
		Analytical Chemistry		
		mineral chemistry		
	chemistry	Physical chemistry	Continuing Ph.D. in Bachelor's Degree	one time admission

Biological Sciences				
	biochemistry	-	Continuing Ph.D. in Bachelor's Degree	one time admission
	Biophysics	-	Continuing Ph.D. in Bachelor's Degree	one time admission

Mathematics	Pure Mathematics	Algebra	Ph.D.	deterministic
		analyze		
		Financial		
		The geometry		
	computer science		Continuing Ph.D. in Bachelor's Degree	one time admission
	Pure Mathematics	Algebra	Continuing Ph.D. in Bachelor's Degree	one time admission
analyze				
Geometric
