23rd Annual IASBS Meeting on Condensed Matter Physics & School on Topological Phases of Matter May 17-19, 2017 (27-29 Ordibehesht 1396)

Organized by:

Department of Physics (Condensed Matter, Soft and Biological Physics Groups)

The Meeting:

The aim of this meeting is to bring together experimental and theoretical scientists in the fields of **condensed matter**, **soft matter** and **biological physics** to present their most recent research results and to create an atmosphere for fruitful discussions. The poster session provides an excellent opportunity for young researchers and students to gain invaluable experience through personalized on the spot Q&A.

The School:

A one-day school is planned prior to the meeting, which will offer lectures aimed at graduate students and young researchers. The subject of the school is "**Topological Phases of Matter**".

Scientific Committee:

Yasser Abdi (University of Tehran)
Saeed Abedinpour (IASBS), **school chair**
Jahanfar Abouie (IASBS)
Mohammad A. Charsooghi (IASBS)
Seyed Alireza Ghasemi (IASBS), **meeting chair**
Ali G. Moghaddam (IASBS)
Ali Najafi (IASBS)
Ehsan Nedaaee Oskoei (IASBS)

**Deadline for registration and paper submission
February 23, 2017 (5 Esfand 1395)**

**The Conference Proceeding
will be indexed in ISC**
