

International Conferences

1. "A New Method for the Synthesis of Diethyl 1-(Arylamino) Aryl Methyl Phosphonates on the Solid Surface", B. Kaboudin, 5th International Symposium on the Bio Organic Chemistry, Pune, India, 30 Jan.- 4 Feb. 2000.
2. "Novel Methods for the Synthesis of Phosphonate Esters on the Solid Surface. ", B. Kaboudin, XVth International Conference on Phosphorus Chemistry (ICPC 15), Sendai, Japan, 29 July-3 August 2001 (invited speaker).
3. "New Methods for the Synthesis of 1-Aminophosphonates on the Alumina Surface. ", B. Kaboudin, XIIIth International Conference on Chemistry of Phosphorus Compounds (ICPC 13), St-Petersburg, Russia, 26-31 May, 2002 (Invited speaker).
4. "Convenient Synthesis of 1-Aminophosphonates under Solvent Free Conditions ", B. Kaboudin, XVIth International Conference on Phosphorus Chemistry (ICPC 16), Birmingham, UK, 4-9 July 2004.
5. "A New Method for the Synthesis of Thiiranes from Epoxides Using of O, O'-Diethyl Ammonium Dithiophosphates", B. Kaboudin, XIVth International Conference on Chemistry of Phosphorus Compounds (ICPC 14), Kazan, Russia, 27 June-1 July 2005.
6. " Synthesis and Stereochemical Determination of Novel 1-Aminophosphinic Acids: Synthesis of Novel C2- Symmetry Phosphinic Acid Pseudodipeptides and Novel Cyclic 1-Hydroxy-1'-Amino-1,1-Bisphosphinic acids" B. Kaboudin, XVIII International Conference on Phosphorus Chemistry (ICPC2010), Wroclaw, Poland, 11-15 July 2010 (speaker and chair of section: Green Side of Phosphorus Chemistry).
7. "1-Hydroxyalkylphosphinic acids: Synthesis, Application and Their Stereochemical Studies" Babak Kaboudin, XXI International Conference on Phosphorus Chemistry (ICPC2016), Kazan, Russia, 5-10 June 2016 (invited and keynote speaker, chair of section: Progress in Organophosphorus Chemistry)
